

# Small R2D2 Plush

Body  
Cut 2  
White

Arm  
Cut 6  
White

Hand stitch this  
opening when it's  
stuffed.

### Materials:

Felt (White and Grey)  
Stuffing (batting)  
Hot glue gun or sewing skills  
Needle and white thread  
Fabric Paint

### How to:

1. Cut out all pieces.
2. Sew or glue the body pieces together, along the edges, leaving a small opening in the bottom.
3. Turn the body inside out and stuff with batting.
4. Hand stitch the opening.
5. Glue or sew the grey head pieces on, front and back. This part can also be painted on (with fabric paint) if you prefer.
6. Make 2 piles of 3 arm pieces in each. Glue together with hot glue to make thick, sturdy arms.
7. Sew or Hot glue the arms onto the sides of the body.
8. Paint features on and you're done!
